### PROMINENT REPUBLICANS RETURN FROM CONVENTION

Special to The Tribune. LOGAN, June 30.- Congressman Joseph Howell and National Delegate H. Bullen, Jr., are at home again, after attending the National convention and taking in the World's fair.

Joseph Monson, National delegate to the St. Louis convention, is ill in bed at his home in Richmond, and it is feared be will not be able to attend the conven-tion.

County Clerk Larsen has issued the fol-lowing marriage licenses: Charles H. Mc-Kenzle, aged 21, of Swan Lake, and Ame-lia Swensen, aged 18, of Glenwood, 1da.; Levi Hammand, aged 23, and Anna Baer, aged 26, both of Providence, and John Worley, aged 21, of Logan, and Eleanor Larson, aged 20, of Mendon, and Harvey Gibson, aged 20, and Lucy Lowe, aged 29, both of Franklin.

The divorce case of Jane Muir vs. Thomas Muir has occupied the time of the First District court for the past two days. The case is a peculiar one from the fact that both want the divorce, the plaintiff alleging cruelty and general ill treatment and the defondant charging cruelty and abandonment of the marriage relation. Plaintiff asks for one-half of the

# PARK CITY

HOIST AND ENGINE

FOR ONTARIO MINE

Epecial to The Tribuna.

PARK CTFY, June 20—A force of about thirty men began work at Daly No. 3 shaft this morning tearing down the gallows frame and engine preparatory to removing the same to the Ontario. Within a month the material will be ready to be moved. It is thought that by that time everything at the Ontario will be in readiness to begin placing the machinery. Virtually this is all as good as new, since the Daly was operated only four or five months after the botst was built several years ago.

At the Ontario the work of removing the dengine is steadily going on, and the defibers are being overhabled and put shape for use. It will be about ninety ays before No. I will be running as it as before the fire. Although there is the fire. Although there is int of putting on two shifts, this be done the time will be flortened.

deanwhile the company is keeping its and force at work taking out ore on the first and yesterday workmen be-no to reopen the tunnel at the Old Dalys then the new holst is completed, both

At present the American Flag property presents one of the most promising prospects in the camp. The winze is down seventy feet from the 100-level, and the shaft is now being sunk from that level in order to get under the large are body. Work of drifting toward the south is also continuing, and some first-class ore is being taken out daily. Ground is being excavated for the erection of a carpenter shop also. About twenty men are employed at the present time, but Superintendent Rhoden and this morning that he expected to put on an additional force soon after the Fourth. The company owns nearly all of the ground from the Constellation to the Silver King, and should the property develop as present conditions indicate, it must become a great mine.

David Evans was in the camp yester-

David Evans was in the camp yester-day and spent the day visiting at the Daly-Judge. This morning he went to Erighton to look after his interests in the Brighton to look after no Great Western

Jack Sultivan was quite seriously injured by a cave-in at the Quincy last sight. Both legs were broken, the right thigh bone fractured and a double fracture in the right angle and another in the left leg. Dr. LeCompte attended the injured man, and reports him doing as well as could be expected. He will be taken to the hospital at Salt Lake this afternoon.

The new boilers are now in place at the King Consolidated and everything is in readiness to start. Tomorrow the mine will respen and three shifts of men will be put on at once. Manager Solon Spiro came up from the city this morning and is spending the day visiting at the mine.

The Volunteer Firemen held their regular monthly meeting last evening, and at the conclusion of the business session a lunch was served and a lively social session held. It was unnimously decided that the fremen should turn out on the Fourth and take part in the street parade in the foreneon, one division of which will consist of the different organizations of the city.
